Site Expectations

- Please park respectfully in one of the 3 car parks provided. Please do not block access to neighbouring businesses, particularly the unit adjacent to the main car park as they require 24/7 access.
- Please use litter bins provided and do not leave rubbish at the side of pitches
- Please remain within marked, barriered/ fenced areas and do not cross over fences or boundaries.
- Spectators are very welcome. All spectators are politely requested to refrain from shouting, instructing or interfering with game play in any way. Any spectators or coaches who do not follow this code will be asked to leave site.

Unleash your full potential!

HOME OF ELITE FOOTBALL ACADEMY

When you arrive at Melton Park please make your way to the car park which is to your right and down the hill as you enter the site. Follow the path all the way into the car park.

From the car park the 11v11 pitch is approximately **7 minutes walk** following the path highlighted to the right.

Toilets, drinks and snacks are available in Red's bar (adjacent to the car park). There are no toilets pitchside at 11v11.

Please note.
This is an active construction site. A safe walkway has been created to keep all visitors out of construction zones. Visitors **MUST** stay within designated areas at ALL times. Elite will accept no liability for any injury obtained if outside the permitted areas.

Bar will be open 45 minutes before 1st KO. Food, drinks and snacks available throughout the day.

Parking is available on site.

NB The site is set across 15 acres of land and there are hills to walk up to get to the 11v11 pitch. If we have disabled guests or guests with issues walking over distance please contact us at least 24 hours below to arrange for access to disabled/accessible parking.

#WeAreElite

Disabled Access for 11v11 Pitch

If there are spectators who may struggle to walk to the top pitch please make the DDJSFL aware before the event to arrange access to disabled drop off & parking

Disabled access is also for Ambulance access and may also be used for any spectators who will find it hard to walk 8-10 minutes up hill through injury or illness.
